NOTE: Your PTA advocates for the best interest of children. Photos and videos are intended to enrich the experience of both school and PTA programs by providing a visual memory to share. Photographs and videos allow families who are unable to attend PTA functions to view the event(s), supporting our PTA's goal to strengthen the home-school connection. PTA photography or videography of school events and PTA programs are intended for classroom sharing through use of Room Parent Classroom Share Sites (set restrictions are in place for safety and welfare of all children) and submission of photos to be featured in our annual yearbook.

Please read the following options carefully, and check ONE:

YES, I give permission for my child to be included in PHOTOS or VIDEOS taken during classroom parties, PTA programs and events at Winston Campus Elementary, for use in classroom sharing.

OR

NO, I do NOT want my child included in PHOTOS or VIDEOS under any circumstances.

Checking "no" and signing this form means that my child will NOT be included in any photos or videos shared through classroom sharing. (Annual school yearbooks are considered internal school publications and are not subject to these restrictions. If you wish your child's name/photo not be included in the annual school yearbook, please notify your school principal in writing.
